Haïti, regards croisés (French Edition)

Nathalie Dessens

Haïti, regards croisés (French Edition) Nathalie Dessens

Cet ouvrage rassemble dix articles portant sur Saint-Domingue, Haïti et la Louisiane ou plusieurs des trois territoires à la fois. Les articles témoignent de la position centrale et incontournable de la zone caraïbe dans le monde atlantique des XVIIIe et XIXe siècles et de la primauté de la révolution de Saint-Domingue sur les événements de la région et sur l'histoire postérieure de la nation haïtienne. Tout comme le témoignage d'Ulrick Jean-Pierre qui clôt l'ouvrage, ils rappellent l'importance de l'épisode haïtien dans l'histoire du continent américain, la perméabilité des territoires aux influences réciproques et la nécessité d'adopter une perspective intracontinentale pour comprendre tous les enjeux des histoires croisées de deux terres d'Amérique qui furent un jour françaises.

From reader reviews:

Julie Bell:

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each book has different aim or goal; it means that e-book has different type. Some people experience enjoy to spend their time and energy to read a book. They are reading whatever they acquire because their hobby is actually reading a book. Think about the person who don't like studying a book? Sometime, individual feel need book once they found difficult problem or exercise. Well, probably you will need this Haïti, regards croisés (French Edition).

Cheryl Estrella:

Playing with family in the park, coming to see the marine world or hanging out with friends is thing that usually you may have done when you have spare time, after that why you don't try thing that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Haïti, regards croisés (French Edition), you could enjoy both. It is good combination right, you still desire to miss it? What kind of hang-out type is it? Oh can happen its mind hangout people. What? Still don't have it, oh come on its called reading friends.

Freddie Straughter:

Reading a book for being new life style in this yr; every people loves to read a book. When you read a book you can get a large amount of benefit. When you read publications, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you wish to get information about your review, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, and also soon. The Haïti, regards croisés (French Edition) provide you with new experience in examining a book.

Stella Neal:

Reading a reserve make you to get more knowledge as a result. You can take knowledge and information originating from a book. Book is composed or printed or highlighted from each source this filled update of news. On this modern era like now, many ways to get information are available for anyone. From media social including newspaper, magazines, science e-book, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Isn't it time to spend your spare time to spread out your book? Or just trying to find the Haïti, regards croisés (French Edition) when you needed it?
