Sharing Assessment in Health and Social Care: A Practical Handbook for Interprofessional Working

Carolyn Wallace, Michelle Davies

Shared assessment is the standardized approach to assessment and the sharing of information and documentation within and between health and social care. This book offers students and practitioners a step-by-step guide to the process, helping them to overcome some of the anxieties of change and providing realistic guidance on the process. The book includes pedagogical features such as a glossary of terms, a comparative grid for Standardized Assessment Frameworks, examples of career assessments, reflective questions, and further reading.
