It's true, the battles and scars you have endured have been purposed to increase your fight of faith in Christ.

We must rely on anchored faith when presented with today's challenges and pressures. Satan has waged war against the saints of God and we need more than faith to believe the Word of God. We must possess faith that fights. To win against the adversary, you must actively participate through prayer, fasting and obedience to the Spirit of God. In this book, you will learn the difference between six pillars of faith and how to maximize your stance and be the victorious one in battle.

From one battlefield to another, Bills has fought the conniving tactics of the enemy and self-destructive actions of her own only to prevail once again in Christ. Though her own scars are deep, this author, evangelist and Bible teacher longs for you to experience the sweet taste of victory for yourself. When Faith Fights will challenge you to discipline yourself in the Word of God until your enemy is destroyed.

Faith grants access to God; it is the stock inside of you that manifests into a spiritual fighter. Arm yourself with faith and watch God devour your adversary.
