### CRAVED BY AN ALPHA

Having turned his back on his snow leopard pride, Cavanaugh has been counting the days until he's free of a role he never wanted—one that separated him from his fated female and stands between them. But just days before he's free to be with her, Eloise walks back into his life and demands he save the pride from the tyrant he left in charge. As they travel to Bhutan, will Eloise be able to resist the burning need that Cavanaugh reignites in her and remember her place in the pride? And can Cavanaugh find a way to save his kin and claim the future he craves with the woman he loves?

### HUNTER'S MOON

The horror of the night he failed to save his werewolf pack from the cruelty of their vampire masters has haunted Nicolae for one hundred years, driving him deep into the Canadian wilderness in search of peace. That peace is threatened when unfamiliar hunters and the scent of blood lead him to a beautiful vampire and a hard decision—face his past and help her or risk losing everyone again.

### EMBRACING THE WOLF

The night Amon revealed that he was an alpha werewolf and she too held the gene in her blood, Kat fled his pack, but no matter how far she runs, she cannot shake the 'beast' inside her or the knowledge that one day she will mature into a werewolf—into Amon's mate. Four years on and now a member of the Werewolf Control Forces, Kat hides in plain sight among their ranks, each night fighting the 'beast' inside of her and hunting rogue werewolves with a vengeance. But when she discovers Amon is dangerously close to turning rogue and only she can save him, will she hunt him or will she embrace the wolf to save them both?

### IN HEAT

A heat wave isn't the only thing making London too hot for lawyer Kim. She's been spending each night with a man who sets her body and heart on fire. The problem? He's a man who always sprouts black fur and purrs, and he's only a dream. Walking into her office, the last thing she expects is to meet Erik, a man who sends her temperature soaring and who resembles her dream guy exactly. As the flames of passion between them burn white-hot, Erik is willing to risk everything to claim his fated mate, but when his secret is revealed, will Kim turn her back on him or give him the forever after he craves?

### CRAVE

Callum has come to the city of romance on business, not pleasure, but when he sets eyes on a gorgeous werewolf in a nightclub, he can't ignore the dark carnal craving she ignites in him. His work for

Vampirerotique, the erotic theatre he runs with three other vampires, can wait. The only thing that matters now is satisfying his sinful hunger for a woman who most vampires would consider an enemy.
