Why is her mother locked up in a mental institution?

Working on a lead, Amy and Dallas team up with an investigative journalist and an unlikely accomplice whose motives are as murky as his past. Soon they are drawn into the depths of a secret organization that practices non-consensual mind-control experimentation?one that Amy's own grandfather appears to be involved in. With a ruthless enemy closing in fast Amy and Dallas race against time and risk their lives to expose these crimes against humanity...and share a passion neither of them could have expected.
