Management

Luis R. Gomez-Mejia, David B. Balkin, Robert L. Cardy

Management Luis R. Gomez-Mejia, David B. Balkin, Robert L. Cardy

"Management 3rd Edition", by Gomez-Mejia, Balkin, and Cardy, is an exciting new take on principles of management. Ask your incoming students what "management" is, and they'll talk about the kind of management they know from their own work experience. Managers assign people their hours, they give raises or promotions, they tell people what job to do-the manager, in other words, is "the boss". In most other work settings, however, management means something far more important and complex. In addition to people, managers also manage performance, processes, relationships, and more increasingly in today's world, deal with the pressure and flux of constant change. This, coupled with the fact that workplaces have steadily become less hierarchical and more team- and group-driven, means the traditional responsibilities of the manager have gradually been dispersed throughout the organization. Students preparing to work in today's business environment may not start in a corner office with an assistant, but they still need to think like managers and understand the strategic goals of the organization.

From reader reviews:

Linda Amos:

Book is to be different for every grade. Book for children until finally adult are different content. We all know that that book is very important normally. The book Management ended up being making you to know about other expertise and of course you can take more information. It is quite advantages for you. The guide Management is not only giving you considerably more new information but also to become your friend when you sense bored. You can spend your own personal spend time to read your publication. Try to make relationship together with the book Management. You never truly feel lose out for everything in case you read some books.

Warren Damron:

As people who live in the actual modest era should be update about what going on or facts even knowledge to make these people keep up with the era which can be always change and advance. Some of you maybe may update themselves by studying books. It is a good choice for you personally but the problems coming to anyone is you don't know which one you should start with. This Management is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

Wayne Millican:

Spent a free the perfect time to be fun activity to perform! A lot of people spent their spare time with their family, or all their friends. Usually they accomplishing activity like watching television, likely to beach, or picnic in the park. They actually doing same every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Can be reading a book could be option to fill your free of charge time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to consider look for book, may be the e-book untitled Management can be fine book to read. May be it is usually best activity to you.

Lily Terry:

Reading a e-book make you to get more knowledge from this. You can take knowledge and information from the book. Book is composed or printed or descriptive from each source this filled update of news. On this modern era like right now, many ways to get information are available for you. From media social such as newspaper, magazines, science e-book, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just trying to find the Management when you essential it?
