So You Want To Be A Veterinarian! David Clark D.V.M.

Ask any group of young people what they want to be "when they grow up", and I guarantee you at least one of them will answer, "a veterinarian".

Veterinary medicine is a wonderful profession for those of us that elected to choose it as our career. As clinical veterinarians, we primarily are involved with treating animals; however, there are many other options for veterinarians other than clinical practice.

Acceptance into veterinary school is a competitive process, and knowing how to prepare yourself prior to applying to veterinary school will improve your chances for being accepted to a veterinary program.

My goal with this book is to give you a brief picture of what you need to accomplish prior to applying to veterinary school, what veterinary school is like, and what your options are after you have graduated from veterinary school.

What I tell you may encourage you more to become a veterinarian, or on the other hand, it may change your mind about pursuing veterinary medicine as a career.

I hope you find the information I have presented is useful in your research of veterinary medicine, and good luck with whatever career path you may choose!
