Something Great

M. Clarke

Something Great M. Clarke

* This is a New Adult romance novel recommended for ages 18+ due to sexual content and mature subject matter.

She didn't know what she was missing...until he found her.

Maxwell Knight was dangerously good-looking, seductively charming, and definitely trouble. He was everything Jeanella Mefferd did NOT need now.

Fresh out of college, life was predictable and comfortable for Jeanella. She had the strength of her friends, the security of her job, and she was dating a reliable man; it was all smooth sailing. That was until one night, when she met someone who made her feel things she'd never felt before--dangerous, heart pounding, breathless heat.

Never imagining she would see him again, Jeanella has no idea what to do when fate steps in and thrusts Maxwell Knight into her life, just as things were beginning to change around her. When she lands her dream job and travels to New York for Fashion Week, can she focus on her career instead of on Maxwell?

Will she ignore all the danger signs and jump straight into his arms; or would she miss out on the chance of finding something great?

From reader reviews:

Mark Dunn:

As people who live in the particular modest era should be change about what going on or information even knowledge to make these keep up with the era which is always change and move ahead. Some of you maybe will probably update themselves by reading through books. It is a good choice for yourself but the problems coming to a person is you don't know what one you should start with. This Something Great is our recommendation to help you keep up with the world. Why, as this book serves what you want and want in this era.

Raymond Simmons:

Information is provisions for those to get better life, information these days can get by anyone at everywhere. The information can be a information or any news even an issue. What people must be consider any time those information which is inside former life are difficult to be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you receive the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Something Great as the daily resource information.

Mary Richie:

The book Something Great will bring you to definitely the new experience of reading a new book. The author style to clarify the idea is very unique. If you try to find new book to learn, this book very suited to you. The book Something Great is much recommended to you to read. You can also get the e-book from official web site, so you can quicker to read the book.

Richard Burnett:

A lot of guide has printed but it takes a different approach. You can get it by world wide web on social media. You can choose the very best book for you, science, witty, novel, or whatever by simply searching from it. It is called of book Something Great. Contain your knowledge by it. Without causing the printed book, it might add your knowledge and make you actually happier to read. It is most important that, you must aware about publication. It can bring you from one destination to other place.
