Bear meets sandwich, adventure ensues. . . . A sly classic-in-the-making for fans of Jon Klassen, Peter Brown, and Mo Willems.

By now I think you know what happened to your sandwich.

But you may not know how it happened.

So let me tell you.

It all started with the bear . . .

So begins Julia Sarcone-Roach's delicious tale of a bear, lost in the city, who happens upon an unattended sandwich in the park. The bear's journey from forest to city and back home again is full of happy accidents, funny encounters, and sensory delights. The story is so engrossing, it's not until the very end that we begin to suspect this is a TALL tale.

The wonderfully told story, spectacular illustrations, and surprise ending make this Julia Sarcone-Roach's best book to date. You'll want to share it with your friends (and keep a close eye on your lunch).
