This edition is written in English. However, there is a running French thesaurus at the bottom of each page for the more difficult English words highlighted in the text. There are many editions of The Grim Smile of the Five Towns. This edition would be useful if you would like to enrich your French-English vocabulary, whether for self-improvement or for preparation in advanced of college examinations. Webster's edition of this classic is organized to expose the reader to a maximum number of difficult and potentially ambiguous English words. Rare or idiosyncratic words and expressions are given lower priority compared to "difficult, yet commonly used" English words. Rather than supply a single translation, many words are translated for a variety of meanings in French, allowing readers to better grasp the ambiguity of English without using the notes as a pure translation crutch. Having the reader decipher a word's meaning within context serves to improve vocabulary retention and understanding. Each page covers words not already highlighted on previous pages. This edition is helpful to French-speaking students enrolled in an English Language Program (ELP), an English as a Foreign Language (EFL) program, an English as a Second Language Program (ESL), or in a TOEFL® or TOEIC® preparation program. Students who are actively building their vocabularies in French or English may also find this useful for Advanced Placement® (AP®) tests. TOEFL®, TOEIC®, AP® and Advanced Placement® are trademarks of the Educational Testing Service which has neither reviewed nor endorsed this book. This book is one of a series of Webster's paperbacks that allows the reader to obtain more value from the experience of reading. Translations are from Webster's Online Dictionary, derived from a meta-analysis of public sources, cited on the site.

From reader reviews:

Edna Kopec:

In this 21st centuries, people become competitive in each way. By being competitive now, people have do something to make these survives, being in the middle of the actual crowded place and notice by surrounding. One thing that at times many people have underestimated that for a while is reading. That's why, by reading a book your ability to survive raise then having chance to stand up than other is high. To suit your needs who want to start reading a new book, we give you this particular The Grim Smile of the Five Towns (Webster's French Thesaurus Edition) book as beginning and daily reading guide. Why, because this book is greater than just a book.

Coralee Lowe:

Nowadays reading books become more and more than want or need but also be a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The details you get based on what kind of publication you read, if you want attract knowledge just go with knowledge books but if you want feel happy read one using theme for entertaining for example comic or novel. Often the The Grim Smile of the Five Towns (Webster's French Thesaurus Edition) is kind of reserve which is giving the reader erratic experience.

Melissa Ray:

The reason? Because this The Grim Smile of the Five Towns (Webster's French Thesaurus Edition) is an unordinary book that the inside of the book waiting for you to snap the item but latter it will jolt you with the secret the idea inside. Reading this book beside it was fantastic author who also write the book in such incredible way makes the content interior easier to understand, entertaining means but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of advantages than the other book have such as help improving your expertise and your critical thinking technique. So , still want to postpone having that book? If I had been you I will go to the book store hurriedly.

Carlos Moses:

Is it you who having spare time then spend it whole day through watching television programs or just resting on the bed? Do you need something new? This The Grim Smile of the Five Towns (Webster's French Thesaurus Edition) can be the solution, oh how comes? The new book you know. You are consequently out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?
