## **The Madonnas of Echo Park: A Novel** Brando Skyhorse

*The Madonnas of Echo Park* is both a grand mural of a Los Angeles neighborhood and an intimate glimpse into the lives of the men and women who struggle to lose their ethnic identity in the pursuit of the American dream. Each chapter summons a different voice—poetic, fierce, comic. We meet Hector, a day laborer who trolls the streets for work and witnesses a murder that pits his morality against his illegal status; his ex-wife Felicia, who narrowly survives a shooting and lands a cleaning job in a Hollywood Hills house as desolate as its owner; and young Aurora, who journeys through her now gentrified childhood neighborhood to discover her own history and her place in the land that all Mexican-Americans dream of, “the land that belongs to us again.”

Reminiscent of Luis Alberto Urrea and Dinaw Mengestu, *The Madonnas of Echo Park* is a brilliant and genuinely fresh view of American life.
