Now in its eighth edition, "Torres' Patient Care in Imaging Technology" is trusted to develop the knowledge and skills that enable students to become safe and sensitive practitioners in every aspect of patient care. The text is designed to present key concepts effectively for beginning students as well as more advanced students and practitioners who want to improve their skills in patient care and imaging technology. "Torres' Patient Care in Imaging Technology" is a highly visual, focused, comprehensive text that presents key concepts, current trends, and advances in imaging technology and patient care in an engaging manner. The new edition includes an introductory chapter on radiography and contains expanded coverage of HIPAA and diversity. Two new features: cultural Considerations boxes and case Studies with critical thinking questions, build on the text's emphasis on helping students develop the skills needed to think critically and react appropriately in an actual clinical setting. The student-friendly writing style and logical organization allow instructors to cover the essentials of patient care in a limited amount of time. It is an illustration - and feature - rich approach enhances learning for students of multiple learning styles.

**Helen Woodson:**

Spent a free time and energy to be fun activity to do! A lot of people spent their spare time with their family, or their own friends. Usually they performing activity like watching television, gonna beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? Could possibly be reading a book can be option to fill your free time/ holiday. The first thing that you ask may be what kinds of e-book that you should read. If you want to try look for book, may be the guide untitled Torres' Patient Care in Imaging Technology can be great book to read. May be it is usually best activity to you.

**Catherine Cote:**

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to

reach Chinese's country. Therefore this Torres' Patient Care in Imaging Technology can make you sense more interested to read.
