Love, The Fifth Season.... "...words are said every day, they can have most profound effect, throughout our lifetime, words come and go, but the seasons that surround us always remain, each one bound by the next, summer, spring, autumn and then winter. They never fail each other, bound by nature's love." "Love: the fifth season" sees a collection of words come together just like the seasons, they may mean nothing at all, but everything in the end. As time passes from "Morning Blue" the first sunrise, through "Days Unknown" and into "Autumn Stars" The cold light of "This December Day" and the warm embrace of "Lullaby". Including Foreword By Phillip Presswood... A collection of lyrics and poems with a collaboration of music from Phillip Presswood (search Love: the fifth season to hear the music)
