John Cotton:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So
