Old Sayings I Just Made Up, Vol. 2 Ray Grant

"Old Sayings I Just Made Up 2" is a continuation of the first book, "Old Sayings I Just Made Up." These sayings are keen, condensed observations of human behavior in usually less than 140 characters, the limit of characters allowable on Twitter. Social media was the impetus. It provided an outlet for Professor Ray Grant to share short but powerful observations on human behavior especially during this time in world history. It is such a unique time because nearly everyone is communicating on a constant basis through their smartphones and computers -- every waking minute. Everyone has their unique opinion on everything from politics to personal improvement to parenthood. The range of social discussions are endless, and here in "Old Sayings I Just Made Up 2," Professor Ray Grant captures beautifully many thoughts we may have had, said or thought. It is like he's reading our minds or giving our minds the appropriate thoughts and fodder so that if or when we encounter similar situations or circumstances again, we will be prepared to give our own more insightful thoughts and ideas.
