Peter and Pauli Winter are two very different brothers born into a time when the horrors of war engulf and extinguish the Germany that is. Yet for all their differences, the destinies of the two brothers are forever bound to the madness that lies ahead. From their sheltered childhood through their violent coming of age in the Great War . . . from the chaos of 1920 Berlin to the spreading power of Hitler . . . the brothers are wrenched apart by conflicting ideals and ambitions. Now mortal enemies, they are trapped in a holocaust that threatens to tear them -- and the world -- to pieces.
