Richard J. Erickson

A Beginner's Guide to New Testament Exegesis: Taking the Fear out of Critical Method Richard J. Erickson

Let's face it. Just the word *exegesis* puts some of us on edge. We are excited about learning to interpret the Bible, but the thought of exegetical method evokes a chill. Some textbooks on exegesis do nothing to overcome these apprehensions. The language is dense. The concepts are hard. And the expectations are way too high. However, the skills that we need to learn are ones that a minister of the gospel will use every week. Exegesis provides the process for listening, for hearing the biblical text as if you were an ordinary intelligent person listening to a letter from Paul or a Gospel of Mark in first-century Corinth or Ephesus or Antioch. This book by Richard Erickson will help you learn this skill. Thoroughly accessible to students, it clearly introduces the essential methods of interpreting the New Testament, giving students a solid grasp of basic skills while encouraging practice and holding out manageable goals and expectations. Numerous helps and illustrations clarify, summarize and illuminate the principles. And a wealth of exercises tied to each chapter are available on the web. This is a book distinguished not so much by *what* it covers as by *how*: it removes the "fear factor" of exegesis. There are many guides to New Testament exegesis, but this one is the most accessible--and fun!
