**Avoidables** Rachel Medhurst

\*This is episode 1 in the Avoidables serial.\*

My name is Hope and I'd like to introduce you to our world. Earth is full of two races, the Avoidables and Perfects. I'm an Avoidable because I only have one arm. I was born that way apparently. Because of my defect, my mother had to move to the Lower Side. The Perfects are humans that have no physical flaws. They live in luxury, while we live in filth.

Avoidables have defects ranging from looks to unexplained gifts. Some of us are half breeds. Dragons and animals were known to have bred with the human race thousands of years ago. We all live in cities, usually divided in two. The Perfects live on the Upper Side, while the Avoidables inhabit the Lower Side. We've been consumed by hate for a race that rejects us so heartlessly. We've become dangerous.

I like to sneak over to their side sometimes. It's fun to watch how they live. To watch their perfect gorgeous faces react to the one armed freak. Until I met Jason anyway. He ignored the fact that I had one arm, even daring to touch my shoulder stub. What happened when he did, blew my mind. I was no longer an ugly Avoidable. I was much, much better than any Perfect.

Avoidables is a serialised fantasy romance story about love and survival. The first book is free. The following books are in a different character's point of view, so you get to know and connect to each one of them. A love story unfolds between the character's and it's easy to fall for each of them as their fight for survival and acceptance takes you into their world.

### From reader reviews:

#### **Sonya Wright:**

The book Avoidables gives you the sense of being enjoy for your spare time. You can use to make your capable more increase. Book can to get your best friend when you getting tension or having big problem with your subject. If you can make looking at a book Avoidables being your habit, you can get considerably more advantages, like add your own capable, increase your knowledge about some or all subjects. You could know everything if you like open and read a guide Avoidables. Kinds of book are a lot of. It means that, science book or encyclopedia or other folks. So , how do you think about this publication?

#### **Esther Ponce:**

What do you consider book? It is just for students since they are still students or this for all people in the world, the particular best subject for that? Just you can be answered for that query above. Every person has different personality and hobby for every other. Don't to be pressured someone or something that they don't desire do that. You must know how great as well as important the book Avoidables. All type of book is it possible to see on many options. You can look for the internet resources or other social media.

#### **Jeremy Jones:**

Information is provisions for individuals to get better life, information these days can get by anyone from everywhere. The information can be a understanding or any news even restricted. What people must be consider whenever those information which is inside the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one the particular resource are convinced. If you receive the unstable resource then you get it as your main information you will see huge disadvantage for you. All of those possibilities will not happen in you if you take Avoidables as the daily resource information.

#### **Ruby Chartrand:**

What is your hobby? Have you heard that question when you got college students? We believe that that concern was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And also you know that little person just like reading or as examining become their hobby. You should know that reading is very important and book as to be the point. Book is important thing to add you knowledge, except your personal teacher or lecturer. You find good news or update concerning something by book. Numerous books that can you take to be your object. One of them is niagra Avoidables.
