As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach
