What if the NORTH had seceded?

What if the pro-slavery Democrats had kept their party united and won the election of 1860? What if Jefferson Davis fought to save the Union while Abraham Lincoln fought to leave it?

The Confederate Union: The War of Northern Secession is the alternate history of the Civil War the way it should have happened!

"Any people anywhere, being inclined and having the power, have the right to rise up, and shake off the existing government, and form a new one that suits them better-- This is a most valuable, -- a most sacred right -- a right, which we hope and believe, is to liberate the world."

- Abraham Lincoln

"It needs the united power, harmonious action and concentrated will of the people of all these States to roll the wheel of progress to the end which our fathers contemplated, and which their sons, if they are wise and true, may behold. This great country will remain united."

- Jefferson Davis
