Ben Benjamin, psi-tech Navigator, and Cara Carlinni, Telepath, can never go home again. To the Trust and Alphacorp alike, they are wanted criminals. Murder, terrorism, armed insurrection, hijacking, grand theft, and kidnapping are just the top of a long list of charges they'll face if they're caught.

So they better not get caught.

These are the people who defied the megacorporations and saved a colony by selling the platinum mining rights and relocating ten thousand colonists somewhere safe, and they're not saying where that is.

They take refuge on crimelord-run Crossways Station with the remnants of their team of renegade psi-techs and the *Solar Wind*, their state-of-the-art jump-drive ship. They've made a promise to find a missing space ark with thirty thousand settlers aboard. But to do that, Ben and Cara have to confront old enemies.

Alphacorp and the Trust: separately they are dangerous, united they are unstoppable. They want to silence Ben and Cara more than they want to upstage each other. If they have to get rid of Crossways in order to do it, they can live with that. In fact, this might be the excuse they've been looking for....
