Emergency War Surgery: The Survivalist's Medical Desk Reference Department of the Army
Military surgeons must assume a leadership role in combat casualty care in circumstances that are far less than ideal. This handbook provides much of the information needed to tackle these issues and features state-of-the-art principles and practices of forward trauma surgery as used by military physicians in far flung locations around the globe. Featuring nearly 200 illustrations demonstrating proper techniques, *Emergency War Surgery* is the most trusted and up-to-date manual offered by the Department of Defense for military medical personnel in the field.
