The non-Official Answer Reference Guide to Survey of Operating Systems 4th Edition fills a need for the rapidly growing online education industry. Individuals who often enroll in these courses find themselves left on their own, or have to wait extended periods of time for a response to a question from their instructor. These factors often hinders these individuals in advancing with their learning process until their questions are answered. This reference guide will provide you with the answers you need to the questions you have with the reviews, rather than spending hours finding an answer, or even days waiting for a response from a professor. To top it off most classes don't even go over the material after you turn it in. Leaving you left in the dark, and potentially going into a test ill-informed of the material you believed to be correct.

This publication is in no way affiliated with McGraw-Hill Publishing, or its authors. This book is a collection of personal work completed using the book. "Survey of Operating Systems 4th Edition" [1] ISBN 978-0-07-351818-3. With the information included in this book I am currently Acing my" COMT-11005: INTRO OS AND NETWORKING TECH" college course with a 99.82% I will include a screen shot of my grade average from the online class dashboard in the book to prove it. With light reading and a bit of effort you too can accomplish this, and with this guide you won't get hung up for hours looking for one answer to a single perplexing question.
