Willful Disregard: A Novel About Love Lena Andersson

Winner of Sweden's most prestigious literary award, a novel about an otherwise sensible woman's descent into the obsession and delusion of unrequited love.

Ester Nilsson is a sensible person in a sensible relationship. She knows what she thinks and she acts according to her principles.

Until the day she is asked to give a lecture on renowned artist Hugo Rask. The man himself sits in the audience, spellbound, and when the two meet afterwards, he has the same effect on her.

From then on Ester's existence is intrinsically linked to that day, and the events that follow change her life forever.

Bitingly funny and darkly fascinating, WILLFUL DISREGARD is a story about total and desperate devotion and about how willingly we betray ourselves in the pursuit of love.
