Highland Treasure Mary McCall

Can the Highlands survive a gifted soul with a tendency toward mischief?

Leonce MacPherson became chieftain after a Norman slaughtered his father and clansmen. For two years he raided Northumbria seeking vengeance while a dream woman promises the return of his great sword, stolen in the massacre.

After escaping an abusive father, Lady Hope Nevilles, unknowingly the Gifted MacKay of her generation, lived with animals for friends in wild Northumbria. She longs to flee to her mother's native Highlands and find a place away from capture and torture.

Her father steals Leonce's son, Hope takes that as a sign to journey to the Highlands. She returns the boy and the great sword to Leonce, who recognizes her as his dream siren. Can he trick her into marriage? She vowed to kill herself rather than submit to any man. Can she learn to trust? Will her father's sin haunt her future? Will distrust and jealousy doom their fragile union?
