Microeconomics (11th Edition)

Michael Parkin

Microeconomics (11th Edition) Michael Parkin

For the principle of microeconomics course. This book is also suitable for all readers interested in economics.

Thoroughly updated, stripped of technical detail where possible, extensively illustrated with well-chosen photographs, enlivened with new applications features that focus on issues at play in today's world, responsive to the suggestions of reviewers and users, and seamlessly integrated with MyEconLab: These are the hallmarks of this eleventh edition of *Microeconomics*.

;

Parkin brings critical issues to the forefront. Each chapter begins with one of today's key issues, and additional issues appear throughout the chapter to show the real-world applications of the theory being discussed. When the chapter concludes, readers "read between the lines" to think critically about a news article relating to the issue, demonstrating how thinking like an economist can bring a clearer perspective to and deeper understanding of today's events. Readers will begin to think about issues the way real economists do and learn how to explore difficult policy problems and make more informed decisions in their own economic lives.

;

Parkin is so committed to currency that he uploads news articles almost daily to MyEconLab®, the online assessment and tutorial system that accompanies the text. Assessment questions based on the *Economics in the News* articles are uploaded periodically so that instructors can assign recent articles within MyEconLab.

Note: If you are purchasing the standalone text or electronic version, MyEconLab does not come automatically packaged with the text. To purchase MyEconLab, please visit: www.myeconlab.com or you can purchase a package of the physical text + MyEconLab by searching the Pearson web site. MyEconLab is not a self-paced technology and should only be purchased when required by an instructor.

From reader reviews:

Leonard White:

Within other case, little people like to read book Microeconomics (11th Edition). You can choose the best book if you'd prefer reading a book. Given that we know about how is important a new book Microeconomics (11th Edition). You can add information and of course you can around the world by way of a book. Absolutely right, because from book you can recognize everything! From your country until foreign or abroad you will find yourself known. About simple issue until wonderful thing you are able to know that. In this era, we could open a book or maybe searching by internet unit. It is called e-book. You need to use it when you feel uninterested to go to the library. Let's study.

Celia Robertson:

The book Microeconomics (11th Edition) can give more knowledge and information about everything you want. So why must we leave the good thing like a book Microeconomics (11th Edition)? Some of you have a different opinion about e-book. But one aim that book can give many data for us. It is absolutely correct. Right now, try to closer together with your book. Knowledge or info that you take for that, you are able to give for each other; you can share all of these. Book Microeconomics (11th Edition) has simple shape however, you know: it has great and big function for you. You can look the enormous world by start and read a guide. So it is very wonderful.

Eliseo Watkins:

People live in this new time of lifestyle always try and and must have the time or they will get large amount of stress from both lifestyle and work. So , once we ask do people have extra time, we will say absolutely without a doubt. People is human not a robot. Then we request again, what kind of activity are you experiencing when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, typically the book you have read is actually Microeconomics (11th Edition).

Nathan Weaver:

What is your hobby? Have you heard this question when you got scholars? We believe that that concern was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. So you know that little person just like reading or as examining become their hobby. You should know that reading is very important and also book as to be the matter. Book is important thing to increase you knowledge, except your current teacher or lecturer. You find good news or update with regards to something by book. Numerous books that can you choose to adopt be your object. One of them is Microeconomics (11th Edition).
