William James

Pragmatism (Illustrated): A New Name for Some Old Ways of Thinking William James

- Beautifully illustrated with atmospheric paintings by renowned artists, Pragmatism outlines James' groundbreaking ideas on the 'pragmatic method' that he evolved primarily to settle metaphysical disputes that might otherwise be interminable.
- Just as accessible and enjoyable for today's modern readers as it would have been when first published well over a century ago, the book is one of the great works of American philosophy and continues to be widely read and studied throughout the world.
- This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text.
