**A fun and interactive way to record your child's school years.**

When completed, *School Year Chronicles* becomes a child's own personalized yearbook. The roomy notebook format provides the perfect spot to collect all those mementos, keepsakes and memories from nursery school to fifth grade. The creative pages guide and motivate the child and parent(s) to record details that would otherwise be forgotten and lost forever.

The book is specially designed to be completed first by the parents and then later by the child, as his or her writing skills develop.

*School Year Chronicles* is organized to keep or record:

- Report cards, class pictures and school highlights
- Diplomas and other records of achievement
- Details of after-school activities
- Mementos of birthday celebrations
- Holiday photos
- Memories of summer vacations
- Medical history
- And more.

A signature sheet is provided to capture a child's handwriting development, and a special page for recording the signs-of-the-time captures current trends and fads.

*School Year Chronicles* is ideal for busy children and their parents.
