The Donation of Constantine: A Novel Simon LeVay

In the middle of the eighth century, the decaying city of Rome lies defenseless against the advance of the warmongering Lombards. The new Pope, Stephen II, appeals for help from the Eastern Emperor, but none arrives. In desperation, the Pope's younger brother and an English nun conspire to change the course of history—at the risk of their own souls. Based on real people and actual events, this is a story of intrigue, passion, war, and the struggle for control of medieval Europe.
