Qing empire, it is the last of the monarchy in the history of Chinese dynasties, and final conquest dynasties. In 1644 at the end of the Ming dynasty, the farmer general li captured Beijing, end of the Ming dynasty. Towards the qing shanhaiguan, political shave hair dressing, military crackdown on peasant army and south Ming regime, to kill the Chinese people of all ethnic groups, gradually occupied China. Then after health, harmony, dried, dynasties, economy have been restored. Basically laid the Chinese territory, at the same time the development of the autocratic monarchy to the peak. But because of the manchu culture castration, despise technology, isolation, lags behind that of Europe and the United States by the state. Sino-British opium war broke out in 1840, was more powers to the invasion, serious loss of sovereignty. After the second opium war to the exploration of modernization, the landlord class in the westernization movement. Further deepening national crisis after the war, the reformists were headed by Kang Liang started the reform, but the initial failure. In the summer of 1900 in order to suppress the eight boxer rebellion in China interests invading China. In 1911, revolution broke out, the collapse of the qing dynasty rule, on February 12, 1912, the qing emperor was forced to abdicate the throne. From over two thousand years of Chinese feudal monarchy, the han people's pendulum second-class citizenship, opened a new chapter in the history of China. And this book is for you the true story of the last emperor.
