Ward of the Flies: A Child Counselor's F*ck-My-Life True Story Clint Looney

Clint Looney baby-sits the insane.

To land his dream job in gifted education, Clint needs experience. He takes the only position available: counselor at a summer camp for disturbed children. But school never taught him to handle real-world crazy. To get the job recommendations they need, Clint and his co-workers must wow their A-hole boss. Only the swarming, psychotic, merciless kids stand in their way.

From the hick towns of upstate New York to the rampant, muggy forests of the Hudson River Valley, Clint and company match wits with America's worst young minds. Watch as they scale the treetops, dodge flying poo and chase naked, howling teens through the forest. They wanted a resume builder. They got a marathon of madness. Will they go on to bigger, better lives, or work at camp forever? Can Clint escape the Ward of the Flies?
