If you don't call him after a date, he will only think that you're busy. Unlike you, he will not think that you are not interested in him because you haven't called. This means, your responsibility is to understand the "PSYCHOLOGY" of men so that you can keep your guy interested in you FOREVER! So, there is no need for you to understand those nitty-gritty details of a man's psychology, his hormones, his mind, and God knows what! If you really want him to beg to be with you forever, simply download this book and follow these simple yet effective tricks that have been specifically devised after taking into account what a man REALLY wants.
