**Winter Turns to Spring (The Four Seasons of a Marriage Series #4)** Catherine Palmer, Gary Chapman  
This book will focus on Brad and Ashley Hanes, young newlyweds who are facing their first season of winter. Opposite work schedules, differing views on finances and when to start a family, and Brad's selfish and immature habits are forcing the young couple apart, causing them to question why they ever got married in the first place. It will take a whole lot of help?mostly from their nosy but well-meaning neighbors?for Ashley and Brad to pull their marriage out of the winter blues and into a hopeful spring. As usual, the residents of Deepwater Cove will pop in and out of the story to delight readers. They'll encounter Cody and see his continued independence and growing friendship with Jennifer; Patsy and Pete's escalating romance; and Charlie, a recent widower who is taking on the challenges and excitement of his golden years with zeal.
