With Love...The New Generation of Party People was written specifically to raise five million dollars for 10 nonprofit organizations through unique and thought provoking themed parties that create soulful connections. This book and it's accompanying website provide everything you need to help you become an amazing hostess, leaving your guests anxiously awaiting your next event! The experience starts the moment the guests receive the invitation...always a surprise as to the theme of the party but with the clear understanding that a \$20 mobile pledging donation is expected from each guest for a life changing organization. These 10 parties are each specially designed for the featured nonprofit, and we've provided instructions for preparing every single detail: predesigned electronic invites, a video presentation that reveals and explains the organization the party benefits, creative and unique activities, menus with recipes, downloadable shopping and playlists, parting gifts, vendor discounts, and more! We have taken the stress out of throwing a party allowing you to relax and enjoy! These parties will touch the hearts and souls of your guests in ways you could have never imagined! So... LET'S GET THE PARTY STARTED!
