NOTE: This edition has a linked "Table of Contents" and has been beautifully formatted (searchable and interlinked) to work on your Amazon e-book reader.

Frank Sheldon, Bart Raymond, Tom Bradford and Billy Waldon had all been born and brought up in Campport, a thriving American city of about twenty-five thousand people. They attended the same school, played on the same baseball field and were best friends. World War One had just started.

Stories of what our brave soldier boys did, in the training camps, aboard the transport, and on the battlefields...

Splendid stories of young men who know how to get the most out of both work and play, and to make each year of life a preparation for a better year to come. These books are a great example of life in a simpler time during WW1.

The three books in this volume:

Book 1: Army Boys in the French Trenches

Book 2: Army Boys On the Firing Line

Book 3: Army Boys on German Soil

A must-have for all adventure pulp lovers!
