"My name is Paul, and I'm a cock-loving sissy slut..."

Paul Carson is a top executive at one of the most powerful banks in the world. The kind of wealthy, macho douchebag who cheats on his wife without a second thought and treats side chicks like tissues: he uses them once, then balls them up and throws them away. Lately, though, he's been getting bored with girls who'll drop their panties at the first scent of money. He's looking for a **dominant, sexually aggressive woman** who know what she wants in the bedroom.

He finds exactly that when a coworker introduces him to the mysterious and kinky Valerie. Little does he know, she's less interested in sleeping with him than **turning him into a submissive sissy slut!**

Valerie starts slow, **demanding Paul call her "Mistress"** and **doling out punishment with a riding crop**. Then she **demand he put on a sequined dress, wig and panties**. One thing leads to another, and soon he's having **group sex, giving head to one of Valerie's hunky friends** while receiving **double anal penetration** from two others.

Even after that **humiliating menage**, however, Valerie's not finished with Paul. She won't stop till she's **manipulated him into revealing his sick secret life to the world** and destroying the one thing he treasures above all else: his reputation.
