Sermons of William Marrion Branham

1956

Have you ever read your Bible and wondered where is the God of Elijah Who called down the Pillar of Fire or raised up the dead? Why don't we have prophets today like we read about in the Bible? Where are the miracles that were always present with every true servant of God? The Holy Scriptures certainly promise that we would have prophets today, so where are they? Did the hope of God sending a Message to the earth die two thousand years ago when the last verse of the Bible was written? Although many of the modern denominations would have you believe that the days of miracles is past and prophets are no longer needed, God HAS sent a man in these last days with THUS SAITH THE LORD, and yes, miracles followed his Message.

Contained within the text of this ebook is an opportunity to read the words spoken by such a man, who not only preached the Bible from Genesis to Revelation but also demonstrated the power of Jesus Christ being the same yesterday, today and forever.

“Not for one moment do I bring a message to the people that they may follow me, or join my church, or start some fellowship and organization. I have never done that and will not do that now. I have no interest in those things, but I do have an interest in the things of God and people, and if I can accomplish just one thing I will be satisfied. That one thing is to see established a true spiritual relationship between God and men, wherein men become new creations in Christ, filled with His Spirit and live according to His Word. I would invite, plead and warn all to hear His voice at this time, and yield your lives completely to Him, even as I trust in my heart that I have given my all to Him. God bless you, and may His coming rejoice your heart.” - William Branham, An Exposition of the Seven Church Ages.

This is ebook is book 5 of the entire collection of his sermons. In this ebook is a total compilation of the 80 sermons of Reverend William Marrion Branham preached in 1956. Every effort has been made to accurately transfer the verbal Message from the magnetic tape recording to the electronic page, and is transcribed unabridged and distributed by Voice Of God Recordings.
