Today's society mocks marriage, giving the false impression that marriage can only bring dissatisfaction. Unfortunately, many Christians have succumbed to the teaching of the world, resulting in a higher divorce rate among Christians than secular society. However, there is hope. God did not design marriage for failure. On the contrary, God designed marriage to be the completion of a man and woman, and by following God's design, marriage can be joyful, satisfying, and lasting. Do you want a successful marriage? In this book, Raul Ries gives the biblical prescription for a satisfying marriage.
