Legends of Rock & Roll - Roy Orbison James Hoag

Roy Orbison had one of the best voices in pop music. It was a forceful, almost operatic bel canto tenor that is unlike anyone else in music. When you hear a Roy Orbison song, you almost immediately know who it is. Roy had a wonderful career that was cut short at what could be called, the prime of his life. In a career that had its ups and downs, he was just approaching the part of the cycle which would take him up again, when he died of a heart attack at the age of 52.

Roy Orbison had a voice that made one think of angels singing in a choir in heaven. It's unusual for a rock singer to be a tenor, but Roy Orbison was probably the best tenor that has ever hit the pop charts in this country.
