## **My Child: "The Quick Fix?"** C.S. Harrison

Children are like sponges. They soak up all that the world has to offer—both good and bad. In a world flooded with insta-fun, insta-wrong, and lightning speed access; author C.S. Harrison has taken an unbiased approach to sort through practical methods for parents and educators for tools leading to successful child development. Throughout the text, Harrison places a mirror in the face of the reader. This mirror challenges them to look at the realities of life, change their perspective, and support their children in becoming responsible and respectable adults, while maintaining their individuality. My Child replaces “expert” with “active learner” because the more we learn, the more we grow. The focus is not to be the “perfect” parent or educator, but to create awareness, on how to become a better example – One Day at a Time.

#### **Teresa Laureano:**

The reason? Because this My Child: "The Quick Fix?" is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will distress you with the secret this inside. Reading this book next to it was fantastic author who write the book in such amazing way makes the content interior easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of advantages than the other book have such as help improving your ability and your critical thinking approach. So , still want to hesitate having that book? If I have been you I will go to the publication store hurriedly.

#### **James Snider:**

As a college student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this My Child: "The Quick Fix?" can make you experience more interested to read.

#### **Marianne Stromain:**

What is your hobby? Have you heard that question when you got learners? We believe that that question was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person including reading or as reading become their hobby. You need to know that reading is very important and also book as to be the issue. Book is important thing to include you knowledge, except your own teacher or lecturer. You see good news or update regarding something by book. Numerous books that can you choose to adopt be your object. One of them are these claims My Child: "The Quick Fix?".
