Revolution and Rebellion: State and Society in England in the Seventeenth and Eighteenth Centuries

J. C. D. Clark

This iconoclastic and satirical book provides a radical reconstruction of the recent historiography of the seventeenth and eighteenth centuries. It creates an alliance between those revisionist historians who have rewritten the received account of the origins of the English Civil War and those historians who have been rethinking the Hanoverian era. *Revolution and Rebellion* is thus a companion volume to the author's *English Society 1688-1832*. The book counters the Marxist interpretation of the 1640s and the 'English Revolution' by developing our new understanding of the non-revolutionary nature of the world after 1660: it challenges the appropriateness of 'revolution' as a description of events like those of 1688, 1715, 1745, the American Revolution, the Industrial Revolution or the Reform Bill, drawing attention instead to the idea of 'rebellion'. This is the first book so to link English history in the seventeenth and eighteenth centuries and it will be required reading for students and teachers of both eras.

Michelle Favors:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Revolution and Rebellion: State and Society in England in the Seventeenth and Eighteenth Centuries can make you sense more interested to read.
