In the world today there are many individuals that are hurting. They are hurting because they are unemployed. They are suffering through sickness. They are dealing with depression. They have lack of self-esteem. They are in bad relationships. In this book I will show you how you can radically change your mindset and attitudes by Walking In God's Path. I can relate because I have dealt with these issues. I will share my experiences and show you how you can overcome challenges and turn things around. This book is perfect for anyone that wants a change in their lives. Book Excerpts: We will have to make a choice to step out in faith and rely on our heavenly father to direct our path. It may take courage and boldness at times just like driving your favorite car. You can't drive your car down the road if it is not already moving. That's the same way with God. He can't guide you if you are still idling through that life of yours. You should always believe in yourself no matter who's around you are negative or thrusting negative energy at you. Just totally block it off because whatever what you believe about yourself that what you will become. The question that you should be asking to yourself in your mind is "Who do I have around me that are making me become a better person? If that person is not making you a better person or don't have your best interest then it is time for you to move on. You need to seek and surround yourself with people who will bring out your best. Today you need to start living your best life today. You need to start making all the right changes that will put you in a place that called victory.
