Alien Mate 3 Eve Langlais

Abducted by a hunky blue alien, researcher and admitted geek Penny is eager to study his mating habits—in the flesh. She'd like to blame her illogical affection for him on hormones, but the erotic remedy just heightens her chemical imbalance.

Reg never thought a simple rescue mission would make him question his decision to remain single. While Penny drives him crazy with her never-ending questions, her simple presence enflames his lust—and causes havoc with his emotions. But is he ready to give up the galactic travel he loves so much to settle down with an earthling female?
