One oblivious husband, two passionate lovers, and three counseling sessions...

I was blissfully locked in my own little world with no understanding of what I was doing to our marriage. Then my wife, Tanya, demanded that we see a couple's counselor.

That is when I found out how wrong I had been. I was wrong about the state of our marriage, I was wrong about her needs, and I was wrong about what kind of man I really was.

The tall, strong, handsome Dr. Greg was everything that I was not, including confident. So when he promised a treatment that would cure everything from Tanya's dissatisfaction to my impotence, how could I not go along with it? Even if the **treatment** was to **cuckold** me...**three times**.

Could I complete the treatment? **Could I become a cuckold?**

Click "Buy Now" to read this smokin' story about one man's realization that a **hotwife** makes for a *very hot wife*.
