Ezra Pound

Literary Essays of Ezra Pound Ezra Pound

For this definitive collection of Pound's *Literary Essays*, his friend (and English editor) T. S. Eliot chose material from five earlier volumes: *Pavannes and Divisions* (1918), *Instigations* (1920), *How to Read* (1931), *Make It New* (1934), and *Polite Essays* (1937). 33 pieces are arranged in three groups: "The Art of Poetry," "The Tradition," and "Contemporaries." Eliot wrote in his introduction: "I hope that this volume will demonstrate that Pound's literary criticism is the most important contemporary criticism of its kind . . perhaps the kind we can least afford to do without . . . the refreshment, the revitalization and 'making new' of literature in our time."
