Positive Effective Parenting Carol Lynne

Positive Effecting Parenting is designed to give parents and others involved with the care and well-being of children the understanding and skills that will enable them to raise happy, successful, self-regulating adults. It will help them make changes in their children's attitudes, behaviors, decrease conflicts, stimulate communication and cooperation, raise self-esteem and enhance what is already working. It will also teach parents how to change the quality of adult-child relationships. Positive Effective Parenting is easy to read and offers some fun as you get to take simple quizzes and answer questions about themselves and other members of the family.
