The Breath of God Over Essentials Oils Emerson Ferrell

The sound of God's voice produced the frequency of light that created all things. (Light Be) The whole universe both visible and invisible is vibrating at the frequencies of our heavenly Father.

Light and sound are the life forces inside all the elements on earth including man. The highest frequency on earth is found in plants whose sole purpose is to serve mankind. They are one of the caretakers of God's creation and are capable of exposing us to the nature and love of our Creator.

This book explores the treasures of essential oils both scientifically and spiritually. The power in the oils are revealed to those who embrace the cross of Christ and His eternal victory over sin, sickness and disease. Those who understand His victory will use these molecules of faith as a vehicle to live in divine health.

This book will empower and equip anyone searching for a solution to pharmaceuticals and hospitals. Many have been searching for the truths revealed in this book, in order to change their lives and those of the next generations. Start your journey today to peace and joy in the Holy Spirit.
