The Healing Heart Jennifer Howard

The Healing Heart is a quirky, fun work of contemporary romantic fiction. It follows Jamie Hansen as she tries to move on in life after losing her husband Paul to a heart attack. Jamie is fully prepared to make lemonade with the lemons life handed to her and to be grateful for what she had while she had it. She doesn't have any expectations when it comes to love, so she is blindsided when she literally runs into handsome real estate broker Conley Michaels. This chance encounter turns her whole world inside out. Join Jamie on her crazy, introspective, exhilarating, maddening, flirty, self-doubting, madcap roller coaster ride! Will Jamie embrace her second chance at love? And will she allow Conley the space to fill her healing heart?
