Many families have a problem: we want to pay the bills, but it is difficult – sometimes impossible – to survive on one income. But then we have these precious babies, and we want to stay with them, to witness their special moments and to care for them in the best way we can. In the words of Mother Teresa, “Love begins by taking care of the closest ones – the ones at home.”

So what should we do? It is like a grown-up tug-of-war with your finances and career on one side and your kids on the other.

Society tells women that we can't have it both ways. But I am telling you that you can. You can stay at home with your children and also make money, and I will give you 101 tips to make it happen.

This guide will give you, in a Catholic context, ideas on: how to decide the job that is right for you, how to make time for an at-home job, work time vs. family life, Catholic spiritual advice and practical tips on everything from taxes to web design.

If you want to start making money at home, this is the booklet for you.
