Return to Harmony—where nothing is as it seems.

Life is complicated for Lydia Smith. She's working at a tacky, third-rate museum, Shrimpton's House of Ancient Horrors, trying to salvage her career in para-archaeology—and dating the most dangerous man in town. Just when she thinks she might be getting things under control, she stumbles over a dead body and discovers that her lover has a secret past that could get him killed. Just to top it off, there's trouble brewing underground in the eerie, glowing green passageways of the Dead City.

Descending into these twisting catacombs, Lydia will learn just what it's like to put her heart—and life—on the line...
